

PERIL NOTIFICATION FORM

The *Peril Notification Form* must be completed, signed and returned to us within 3 days of the date the peril occurred.

The Peril Notification form is used to notify the Insurer of an insured peril occurring on the insured crop. The Insured is required to give written notice to Global Ag Risk Solutions within 3 days of the peril occurring.

If the Peril has created a situation where you plan to not take the crop to harvest as originally intended, you must notify Global Ag Risk Solutions by submitting a Notice of Change to Crop Intention form.

You can contact us by phone to report your peril at 1-306-435-4277 or toll free at 1-877-606-4277.

PLEASE REFER TO “HOW TO COMPLETE THE PERIL NOTIFICATION FORM” FOR FULL INSTRUCTIONS

**Please complete & return the Peril Notification Form to
crops@agriskolutions.ca or fax form to 1-306-972-8122**

Peril Notification

How to Complete the Peril Notification Form:

1 Complete the identification area:

PCI Policy # PCI2022 - _____

Farm Name _____

Contact Name _____

2 Determine which Insured Peril(s) is applicable to your situation:

An Insured Peril is drought, flood, hail, wind, frost, lightning, excessive rain, snow, hurricane, tornado, accidental fire, insect manifestation, plant disease, or heating of Produced Crop while in storage at the Insured's Farming Address.

3 This form may be used for filing up to three Insured Perils at one time. Complete all sections of the form for each peril that has occurred. List the date of the peril, each of the crops that were affected by the peril, the # of acres affected, what the estimated yield is after the peril has occurred, and include any details in the Additional Information section that would be pertinent:

Date of Peril	Crop	Acres Affected by Peril	Insured Peril	Estimated Yield after Peril
Additional Information				

4 Sign and date the form, then email it to crops@agriskolutions.ca or fax to **1-306-972-8122** within 3 Business Days of the Peril(s) occurring.
