

# PRODUCTION COST INSURANCE Post-Harvest Estimate

PCI Policy #	PCI2018-
--------------	----------

Farm Name	
Contact Name	

**Post-Harvest Gross Margin Estimate**

Please provide an estimate of your current production as of the date below:

- Please include number of bales, silage tonnage, etc. from all incurred acres.
- If harvest is not complete by October 15, post-harvest report is still required to be submitted indicating unharvested acres.

Crop Seeded	Unharvested Acres	Bushel/Acre	\$/Bushel	Seed/Acre	Fertilizer/Acre	Chemical/Acre

**Additional Information:**

If you believe damage or a cause of loss has occurred to your crop due to an insured peril and you have not already submitted a Peril Notification, please fill in a Peril Notification form and submit to us immediately.
